Dear Mr. Vallejos:

On behalf of the California Shuffleboard Association and District Seven I would like to thank you and the Saboba Band of Luiseno Indians for sponsoring the 2013 Classic Shuffleboard Tournament held in March.

Shuffleboard is a value added sport for citizens of all ages around the world, and your generous monetary contribution in support of The Classic helps keep the sport alive and interesting to all those who participate and enjoy the social and competitive aspects of the game.

As you can imagine, there are many expenses involved in hosting a tournament involving three hundred plus people including visiting teams and those from the Hemet/San Jacinto area. Your sponsorship is valued and appreciated and an advertising opportunity for the Saboba organization as a whole. Without the support of sponsors like you, we would not have been able to host a successful tournament. Thank you, once again, for your generous support of the 2013 Classic Tournament.
