On behalf of the Executive Board, Advisory Board, volunteers, staff and Spring Fling committee, thank you for your support of our annual Pink & Black Spring Fling. I am so grateful for the support and dedication to Michelle's Place mission from our community. We truly could not provide the over 72,000 free services in the last eleven years without such an amazing commitment from so many. Your donation to the Spring Fling this year enables us to continue providing these services to women and their families dealing with breast cancer. In addition to our current services which include free wigs, prosthesis, bras, hats, scarves, a lending library, support services, educational seminars, lymphedema resources, mammograms, ultrasounds, financial assistance and weekly exercise classes, Michelle's Place has added two monthly metastatic support groups and has opened Michelle's Beauty Boutique that provides resources we don't currently have at a low and discounted price.

Thank you again for your support of our event. We look forward to working with you again next year. On behalf of the women we serve, thank you.

Best Regards,

Kim Goodnough
Executive Director
