

N.I.A.A.

NATIONAL INDIAN ATHLETICS ASSOCIATION

Dear Prospective Sponsor,

NIAA Softball is here **SEPTEMBER 18TH–20TH, 2026!**

With September quickly approaching, we are in the midst of planning our upcoming 2026 NIAA Softball Tournament. This year the Soboba Band of Luiseño Indians is teaming up with NIAA to bring softball to Native Americans from across the country – a terrific event to celebrate Native American Heritage. As some may already know, Soboba has been the home of NIAA (National Indian Athletic Association) Softball for the past twenty years. However, many may not know that the tournament is brought to life through sponsorships, donations & volunteers. Without the help of our NIAA Committee, Soboba Sports Complex, The Oaks and You, the 2026 NIAA Softball Tournament would not be possible. We have two fields at Soboba Sports Complex as well as four NCAA Regulation fields at The Oaks. Our beautiful Southern California weather draws Native softball teams near and far. We have an average turnout of about twelve Men's and twelve Women's teams (with some teams traveling as far as Canada), many of which are returning participants. And we would like to thank our past sponsors for making this possible.

In hopes of keeping NIAA Softball a success, we are seeking sponsorship to help offset event costs including awards and equipment. As customarily awarded in the past and in anticipation of a greater turnout, NIAA will once again be awarding \$15,000.00 in cash prizes, or more depending on our sponsorships. In addition to these cash prizes, other awards will be given out which include: participation gifts, All-Tournament and MVP awards for both Men & Women teams. However, in order to reach our goal, we need your help. The NIAA Softball Committee greatly appreciates your generous donation and would like to thank you for your time and consideration. Softball is a pleasurable pastime and we would love to share the experience with you and encourage your attendance. We hope to see you in September.

If you have any questions in regards to sponsorships, please contact the Sponsorship Coordinator, **Andrew Vallejos**, at (951) 654-2765 ext. 4112 or email at avallejos@soboba-nsn.gov.
