ANSWERS TO QUESTIONS SUBMITTED:

1. Details are provided to install Category 6 Cables to the noted locations in the Scope of Work, C, Horizontal Cabling and the Details on the IT Plan. Soboba has required the Category 6 cable installation be made by Leviton Components and Berk-Tek cable installed by a Leviton Authorized Network Installer in order to provide a completely Certified Leviton Installation Warranty.

Q. Will this project also require the Leviton/Berk-Tek components and cabling by a Certified Leviton Authorized Network Installer?

Leviton

2) The details in the Scope of Work, C Horizontal Cabling and E. Floor Plan Attachment do not match the quantities indicated on the IT Plan.

Q. Are we to bid on the IT Plan quantities or the Scope of Work noted quantities?

Bid the IT Plan.

3) **Q.** Are the WIFI Locations a single Category 6 Cable? If not, what quantity is required?

Single Cat 6

4) **Q.** Are we to provide the WIFI Access Points in the bid? If so, please provide brand and Model number?

Single Cat 6

5) **Q.** Are the Cameras a single Category 6 Cable? If not, what quantity is required?

Single Cat 6

6) **Q.** Are we to provide the Cameras in the bid? If so, please provide brand and Model number?

Yes, you may provide a recommended Camera and type that works with Milestone VMS.

7) **Q.** Do the Kronos UKG Clocks require a single Category 6 Cable? If not, what type and quantity of cable is required?

Single Cat 6

8) **Q.** Are we to provide the Kronos UKG Clocks System in the bid? If so, please provide Model number.

No, Clocks are a transfer from existing sites.

9) **Q.** Is the programming of the Kronos UKG Clocks required as part of this bid?

No

10) **Q.** Do the Access Control devices require a single Category 6 Cable? If not, what type and quantity of cable is required?

Single Cat 6

11) **Q.** Are we to provide the Access Control Devices and System in the bid? If so, please provide Model numbers.

No, will be provided by a security vendor.

12) **Q.** Is the programming of the Access Control Devices and System required as part of this bid?

No
