S.T.A.R.S.

Soboba Tribal Alert Response System

The S.T.A.R.S. system is a tool, similar to *reverse 911*, used by the Soboba Band of Luiseno Indians to inform Tribal Members and Employees of information that is related to the Soboba Indian Reservation.

Your participation is voluntary and the information you provide will be kept private. This form will be destroyed by the IT department after it is transferred to the S.T.A.R.S database.
