\*All inquiries to the toll-free number must be made by a person who is named on the account. All pricing and information shown here is subject to change and may vary for existing customers.

†Speeds may require additional equipment devices that are not included in your bulk agreement. Additionally, higher data speeds will require an Ethernet connection between your Optical Network Terminal (ONT) and your router, which may require installation at a separate cost if your home is not Ethernet-equipped. Please check with your representative when placing your order for specific details.

Offer available only to residents of Soboba. Price of additional channel packages, Internet and voice services valid for 24-month promotional period, after which prices will be adjusted to everyday discounted pricing. Monthly recurring fees for Voice service, TV upgrades or Internet upgrades subject to change on 30-day written notice. Service speed is not guaranteed and will depend on many factors. Maximum service speed is not available to all locations and service may not be available at certain speeds at your location. Subject to availability. All TV prices, fees, charges, packages, programming, features, functionality and offers subject to change. Unlimited Long Distance minutes exclude 900, directory assistance, dial-up Internet, and calls to locations outside of the United States, Puerto Rico and Canada. Customers with usage inconsistent with normal residential Voice applications and usage patterns may be required either to select another Frontier long-distance plan that charges for all long-distance calls or to cancel service. Activation, installation and/or shipping fees may apply depending on the additional products and services ordered. Frontier and FiOS services ordered in addition to the contracted bulk services will be billed directly to that end-user customer's account and may be subject to credit verification. Taxes, fees, and other restrictions apply. Frontier reserves the right to withdraw this offer at any time. The FiOS marks are owned by Verizon Trademark Services LLC and used under license.
